

# ACUVUE® 1-DAY *STARTS TODAY*

## WHAT WILL YOU DO 1-DAY?

Become captain of the team? A big screen star?  
Reach the top of the charts? Change people's lives?

1-DAY ACUVUE® MOIST® Brand Contact Lenses help give you confidence to pursue your dreams.

And the best part? You wear 1-DAY ACUVUE® MOIST® Brand for only one day, so they're always fresh, always comfortable.

**NO CLEANING. NO HASSLE.**

Need a little inspiration? Check out how these familiar faces rose to the top and how wearing contact lenses helped them get there.

“ I got contact lenses when I was 15 to help me play sports and I still wear them today. That feeling of not having any restrictions on what I could do helped give me the confidence to get where I am today. ”

**JOE JONAS**  
Singer

# ACUVUE® 1-DAY STARTS TODAY

“ Like most young women, the years of glasses, braces, pimples and fashion drama were hard on me. When I finally got my braces off and got contact lenses, I felt better, more confident. The funny thing is I noticed that people weren't treating me any differently. I realized that confidence comes from within and I had the power to feel good all along. ”

**MEAGHAN MARTIN**  
Actress

“ I've worn contact lenses since I was in 7<sup>th</sup> grade. It's great to not have any distractions when I'm running so I can just focus on that finish line. I wear 1-DAY ACUVUE® MOIST® Brand Contact Lenses and it's just so easy to have a new pair every day. ”

**ALLYSON FELIX**  
World Champion Runner

**Important Information for Contact Lens Wearers:** ACUVUE® Brand Contact Lenses are available by prescription only for vision correction. An eye care professional will determine whether contact lenses are right for you. Although rare, serious eye problems can develop while wearing contact lenses. To help avoid these problems, follow the wear and replacement schedule and the lens care instructions provided by your eye doctor. Do not wear contact lenses if you have an eye infection, or experience eye discomfort, excessive tearing, vision changes, redness or other eye problems. If one of these conditions occurs, contact your eye doctor immediately. For more information on proper wear, care and safety, talk to your eye care professional and ask for a Patient Instruction Guide, call 1-800-843-2020 or visit [www.acuvue.com](http://www.acuvue.com).
