

ROAD GAMES

In **NFL RUSH ZONE: Season of the Guardians**, Ish and his Guardian friends must protect the Megacores that power all 32 NFL teams from Wild Card and Drop Kick, who want to use these football-like objects to destroy the NFL and the world. But they can't do it alone. Each week, they rely on the Ruserz to help them!

PART 1 The Ruserz are a band of defenders who keep each NFL team's Megacore safe from harm. There are 32 Ruserz, one for each team. Do you know where each team in the NFL plays? Use your knowledge of geography to find their locations on the map

below. Write the number for each team in the circle that marks where it plays. Then draw a circle to mark the location of the Pro Football Hall of Fame — and the **NFL RUSH ZONE** Hall of Knowledge — in Canton, Ohio.

PART 2 As you can see, there are many states across the country that do not have an NFL home team. Use your imagination to invent a team for one of these states, or for your own hometown. Do some research and create a name for your team that connects with the history and traditions of the area — like the New England Patriots or the Dallas Cowboys. Create a logo for your imaginary NFL team, then look at the Ruserz on the poster and create a Ruser to protect your team's Megacore. Write a paragraph explaining why you chose the name for your imaginary team, and share your creative work in a class presentation.
