

JOIN THE JOURNEY TO MARS — EXPLORERS WANTED! FREE ADMISSION FOR STUDENTS WITH THEIR TICKET TO MARS

Dear Principal,

Get ready to send your teachers and students on an adventure that's literally out of this world! Don't let them miss this once-in-a-lifetime chance to experience our journey to Mars in a whole new way at Kennedy Space Center Visitor Complex, where immersive experiences get you closer to NASA and space exploration than anywhere else on the planet.

Free admission for your incoming fifth-grade students!

At Kennedy Space Center Visitor Complex, guests get an up-close look at our journey to Mars. Best of all, your students can imagine what it would be like to be the first humans living on Mars as they learn more about NASA's plans to set foot on our planetary neighbor — perhaps inspiring them to becoming Future Space Explorers!

You can start the adventure today by making sure your teachers enter to win an astronaut visit to your school!

For information about how to enter and receive free Kennedy Space Center tickets for students and Educator Study Passes for teachers, visit KennedySpaceCenter.com/SummerOfMars.

Please remind your teachers to download the FREE *Summer of Mars* teaching kit at ymiclassroom.com/SummerOfMars with NASA-approved STEM-based lesson plans that will complement your school's science curriculum and ready your students for our next expedition into space!

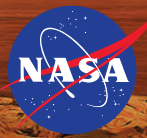

A PLACE WHERE RISK-TAKERS DEFY GRAVITY.
A PLACE WHERE DREAMERS BECOME HEROES.
A PLACE WHERE COURAGEOUS MEN AND WOMEN SMASH THE STATUS QUO.
THIS IS THE SUMMER OF MARS AT KENNEDY SPACE CENTER VISITOR COMPLEX.

Make copies of this ticket for all your incoming fifth-graders to take home.
