Twice as Nice

Nella loves being a princess and going to royal balls and concerts. She also loves being a knight and going on adventures with her friends. Good thing she's a princess AND a knight! What do you like to do? Color in some of the things you and Nella both like to do, then draw a picture of something else you enjoy.

Parents:

Today, your child learned that they can be anything they want to be! Like Nella the Princess Knight, your child can be more than one thing.

Talk with your child about their dreams. For more adventures with Nella and her friends, tune into **Nella the Princess Knight** on Nick Jr Channel and Nickjr.com.
