

ACTIVITY 1

TMI—Too Much Information!

Part 1

Part 2

Nettie and Webster have an important NetSmartz rule about sharing information. Fill in the missing vowels to read their online safety rule.

like my nam___, addr___ss, and ph___ne n___mber.

NetSmartz® Safety Tip for Adults: Talk to your child about online safety. Review what type of information is personal and private and shouldn't be shared online without first checking with you. Encourage family members to make social media settings private. Also discuss who is and isn't okay to share information with online.
