

SOUND OFF WITH THE HOME FIRE SAFETY PATROL

Join the HOME FIRE SAFETY PATROL!

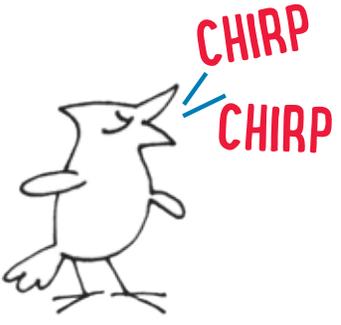

Smoke alarms are important. They warn you when there is a fire.

Do you know your smoke alarm sounds?

BEEP-BEEP-BEEP...
BEEP-BEEP-BEEP
That sound means there is a fire in your home.
You need to get out fast!

Chirp...Chirp
Sometimes a smoke alarm makes a sound like a cricket or a chirping bird. That means the battery is not working well, or the smoke alarm is getting old. You need to put in a new battery or get a new smoke alarm.

Test your smoke alarms every month to make sure they work.

Push the test button. If you hear BEEP-BEEP-BEEP, that means the smoke alarm is working. If you don't hear that sound, put in a new battery or get a new smoke alarm. Smoke alarms do not last forever. Replace your old smoke alarms with new ones every 10 years.

Go on a fire safety patrol in your home.

Use this chart to test the smoke alarms in your home. Ask a grown-up to help. Circle Yes or No for each question. When you finish your patrol, write your names in the spaces provided. Then bring the chart back to class.

Do you have a smoke alarm on each level of your home? Yes No

Do you have a smoke alarm in or near every bedroom and sleeping area? Yes No

Do all of your smoke alarms work when you test them? Yes No

Student _____ **Parent/Caregiver** _____

Dear Parent/Caregiver,

Your child is participating in a home fire safety program at school. Thank you for taking the time to reinforce these lessons by testing the smoke alarms in your home. Remember: Smoke alarms do not last forever. Replace your smoke alarms with new ones every 10 years.
