

Sound Off!

Smoke alarms are important. They warn you when there is a fire.

Do you know your smoke alarm sounds?

**BEEP
BEEP BEEP**

BEEP-BEEP-BEEP...

BEEP-BEEP-BEEP

That sound means there is a fire in your home. You need to get out fast!

CHIRP CHIRP Sometimes a smoke alarm makes a sound like a cricket or a chirping bird. That means the battery is not working well or the smoke alarm is getting old. You need to put in a new battery or get a new smoke alarm.

**TEST YOUR SMOKE
ALARMS EVERY
MONTH TO
MAKE SURE
THEY WORK.**

Push the test button. If you hear BEEP-BEEP-BEEP, that means the smoke alarm is working. If you don't hear that sound, put in a new battery or get a new smoke alarm.
