

## Dear Families,

This week, your child met Cory Carson, a little kid car with an engine that runs on fun. Cory has an eager, playful spirit that can often steer him toward challenging and entertaining forks in the road. Guided by his loving parents, Cory learns big lessons through everyday experiences. For example:

- Accidents happen.
- It's OK to be different.
- Rules keep us safe.

These are all important life lessons for preschoolers. Just like Cory, your child is learning and growing every day! With the help of Cory and his friends, and classroom activities from Netflix and the curriculum specialists at Young Minds Inspired (YMI), your child is learning about teamwork and kindness. Your child is also learning that what makes us different also makes us special, and it's through differences that we can learn from one another.

**Go! Go! Cory Carson** is now streaming, only on Netflix, so you and your child can continue the learning at home. Both entertaining and educational, this funny and relatable series will make you and your child laugh, learn, and cheer for Cory and his friends as they explore the ups and downs of life in Bumperton Hills. Try out these episodes:

- *Cory's First Day* – Cory learns how to make new friends on the first day of school.
- *Oil Spill* – Sometimes little kids have accidents and that's ok!
- *Good Clean Fun* – Recycling helps us take care of the Earth.
- *Speed Limits* – Rules help keep us safe.
- *Sleepover* – Things may be different at other families' homes, and it's ok to be different!

### Turn your own everyday experiences into adventures!

- Search for shapes and colors as you go through the grocery aisles.
- Work as a team to pick up toys and clean up after meals.
- Sing songs together in the car.
- Have your child pair socks and sort clothing when you fold laundry.
