

ACTIVITY 2

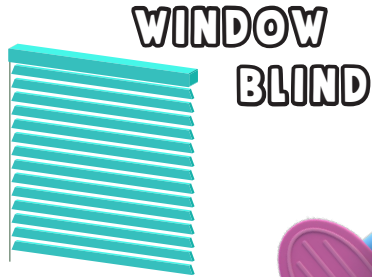

Reproducible Master

PULLEY POWER

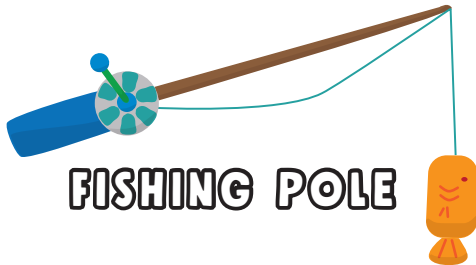

Elkin John is giving a concert at the top of Blunderburg Tower. Chico Bon Bon and the Fix-It Force build a pulley to get his piano up there. A pulley helps lift things.

THINK BIG!

How might you use a pulley to help around your home or in your town?

PARENTS AND CAREGIVERS:

Inspire your child to explore, create, and make improvements to designs they create with building blocks, paper cups, paper towel rolls, old magazines, etc. As a family, watch Chico Bon Bon and the Fix-It Force use their tools, engineering smarts, and teamwork to solve all kinds of problems in Blunderburg.

Q: WHAT IS CHICO'S FAVORITE TOOL?

A: HIS MONKEY WRENCH!
