

# SOUND OFF WITH THE HOME FIRE SAFETY PATROL

Join the HOME FIRE SAFETY PATROL!

Smoke alarms are important. They warn you when there is a fire.

**Do you know your smoke alarm sounds?**

BEEP-BEEP-BEEP..  
 BEEP-BEEP-BEEP  
 That sound means there is a fire in your home.  
 You need to get out fast!

**Test your smoke alarms every month to make sure they work.**

Push the test button. If you hear BEEP-BEEP-BEEP, that means the smoke alarm is working. If you don't hear that sound, put in a new battery or get a new smoke alarm. Smoke alarms do not last forever. Replace your old smoke alarms with new ones every 10 years.

Chirp  
 Sometimes a smoke alarm makes a sound like a cricket or a chirping bird. That means the battery is not working well, or the smoke alarm is getting old. You need to put in a new battery or get a new smoke alarm.

## Go on a fire safety patrol in your home.

Use this chart to test the smoke alarms in your home. Ask a grown-up to help. Circle Yes or No for each question. When you finish your patrol, write your names in the spaces provided.

<b>Do you have a smoke alarm on each level of your home?</b>	<b>Yes</b>	<b>No</b>
_____		
<b>Do you have a smoke alarm in or near every bedroom and sleeping area?</b>	<b>Yes</b>	<b>No</b>
_____		
<b>Do all of your smoke alarms work when you test them?</b>	<b>Yes</b>	<b>No</b>
_____
