

# Same-Name Match Game

Over a hundred years ago, a man named Leo Hirshfield made a tasty new candy! "What shall I name this new candy?" he wondered. "I know!" he said. "I'll name this candy after my daughter, Clara!" But Clara's didn't sound quite right. One day it came to him! "I'll name them after her nickname, 'Tootsie'", he said. And so, the name Tootsie Roll was born.

We all have names. Is your name here? Draw a line to match all the names. Then, your teacher will show you how to play a great game.

# Welcome to the make-believe Colossal Candy Store.

**Key**

	=		=	
	=		=	
	=		=	
	=		=	

- Color the shapes that match the Tootsie Rolls red.
- Color the shapes that match the Tootsie Roll Pops blue.
- Color the shapes that match the Dots yellow.
- Color the shapes that match the Junior Mints green.

Now, using the key again, count how much it would cost to buy the candy on each shelf. Write the amount in the tag next to each shelf.

- How many rectangles are there on all the shelves? \_\_\_\_\_
- How much would it cost to buy all the Tootsie Rolls? \_\_\_\_\_
- How many circles are there on all the shelves? \_\_\_\_\_
- How much would it cost to buy all the Tootsie Pops? \_\_\_\_\_
- How many triangles are there on all the shelves? \_\_\_\_\_
- How much would it cost to buy all the Dots? \_\_\_\_\_
- How many squares are there on all the shelves? \_\_\_\_\_
- How much would it cost to buy all the Junior Mints? \_\_\_\_\_

# Candy Country

Cut out the puzzle pieces below carefully. Put them together in their correct place. Now color your finished puzzle. There are five Tootsie Roll factories in the United States, one in Mexico, and one in Canada. Draw a Dot  in each state where there is a Tootsie Roll factory. Your teacher or parent can help you.

- Circle the state where you live.
- Write your state's name here: \_\_\_\_\_
- Draw a triangle where our nation's capital is located.
- Draw a star in all the states you have visited.
