

Meet the Crew

Shrek® and his friends are off on another adventure in *Shrek the Third™ The Game*, a new video game from Activision based on the upcoming film from DreamWorks Animation. The game takes you beyond the film as you join the adventure to save Far Far Away from Prince Charming and his henchmen and help Fiona's cousin Arthur take his rightful place on the throne.

The scene: Shrek® boards a pirate ship to get back his stolen sail, which he needs to sail back to Far Far Away. The pirates rush up from the hatches and swing down from the riggings, but Shrek® and his sidekick win the day.
