

# A Far Far Away Adventure

Each adventure in the new *Shrek the Third™* video game is set up like a chapter in a book. And every adventure has its own plot, with all the elements of a story – an introduction, a climax, and a resolution.

## Part 1

Three sets of adventure scenes from *Shrek the Third™ The Game* are described below. You can probably see that they are all mixed up. Put the scenes in the right order by marking them with an **I** for introduction, a **C** for climax, and an **R** for resolution. Then tell the story of these episodes in your own words on the other side of this sheet, adding characters and details to make each story your own.

### 1. On the Worcestershire Road

A. Angry bumpkin peasants attack Shrek® by throwing bales of hay at him.

B. Shrek® travels along Worcestershire Road to reach Arthur at school.

C. Shrek® runs into the peasants so fast they spin out of control and crash.

### 2. A Forest Ambush

A. Shrek® defeats Hook and his Land Pirates.

B. Hook and his Land Pirates ambush Shrek®.

C. Shrek® and his sidekicks travel through the woods to reach their ship.

### 3. In the Castle Workshop

A. Shrek® searches Evil Castle in search of Pinocchio to learn what is happening in Far Far Away.

B. Shrek® rescues the real Pinocchio to discover the fate of Far Far Away.

C. Shrek® finds Stromboli's workshop full of puppets.

## Part 2

Now it's your turn to decide the action. Choose one of the scenes described below and create an adventure to go with that setting. Include yourself and two or three characters from *Shrek the Third™ The Game* in the adventure. Write your story on a separate sheet of paper, and be sure it has an introduction, a climax, and a resolution.

- You are in Lancelot's rickety old castle in the middle of the woods.
- You are in a huge ice cave near the peak of High High Mountain.

## Shrek the Third™ The Game Online Learning Adventure

They say that actions speak louder than words, but in some stories, words are the key to the action. For example, in the new *Shrek the Third™* video game, when Pinocchio gives Shrek® a message from Far Far Away, it opens up a whole new chapter in the adventure. Can you explain what part words play in the fairytales listed below?
