

# WALL OF FAME

**NFL RUSH ZONE** takes us deep beneath the Pro Football Hall of Fame to the Guardians' Headquarters, the Hall of Knowledge. Each week, the Guardian team gathers there to plan their defense against tough plays by Sudden Death and the Anticorians. In the second half of the season, things get more difficult for the team when they face an even tougher challenge after Drop Kick and Wild Card get in the game.

## MOST VALUABLE GUARDIAN (MVG)

**PART 1.** On and off the field, in and out of the Rush Zone, Ish and his team work hard. They deserve to be honored for their triumphs! Imagine that there is a Guardians' Wall of Fame — which member would you choose to be the Most Valuable Guardian (MVG)? Complete the following:

Favorite Guardian: \_\_\_\_\_

Outstanding Qualities: \_\_\_\_\_

Achievements and Challenges Overcome: \_\_\_\_\_

**PART 2.** Now create a campaign to get your favorite Guardian inducted into a classroom Wall of Fame. This campaign can include a slogan, button, poster, radio ad, video, etc. You can even work with other fans in your class and design something together. After everyone presents to the class, hold an election to choose your official MVG of **NFL RUSH ZONE: Guardians Unleashed**.

**FAMILY HEROES:** Take your new campaigning skills home and hold an election for the Pro Football Hall of Fame. Which current player do you think belongs? How do your family members feel? Have each person choose a favorite player and present his merits, then hold a vote. As a bonus, you can watch your family's future Hall of Fame player throughout the season and record his stats.
