

ALL ABOUT GENRES

The word *genre* means a type or category of film, music, or writing. As a class, discuss some different genres of books and the characteristics of each. Then on a separate sheet, write about which genre is your favorite. Use the characteristics written on the board and examples from *Stick Dog*, *Wing & Claw*, and other similar books to support your opinion.

  HarperCollinsPublishers

Find out more about the adventures of Stick Dog at www.stickdogbooks.com

Find out more about *Wing & Claw* at www.hc.com

Look out for *Wing & Claw #2: Cavern of Secrets*, coming March 2017. Go to www.harpercollinschildrens.com
