

Speak for the Trees

With the help of an adult, create your own Truffula trees!

What You'll Need:

Tissue Paper

Pipe Cleaner

Directions

1. Use two pieces of tissue paper, and place one on top of the other.
2. Cut both pieces of tissue paper in half width-wise.
3. Next, pile all four pieces together and begin to fanfold them.
4. Take a pipe cleaner and wrap it once around the center of the folded tissue paper.
5. Trim the ends of the tissue paper at a diagonal.
6. One sheet at a time, carefully pull the top two layers of tissue paper up and away from the stack at each end. Pull the bottom two layers in the opposite direction.
