

Sound Off PowerPoint Presentation Notes

How to Use the Sound Off Classroom Presentation

1. Double click the **so22_ppt-classroom.pptx** file to open the presentation in PowerPoint.
2. Click "Slide Show" in the task bar at the top of the window, then click the button to start the slide show from the beginning.
3. Touch the enter/return button or the down arrow to advance the presentation slide by slide.
4. When you reach the final slide (Special Thanks!), touch the enter/return button or the down arrow to end the slide show.

Sound effects

Two slides toward the end of the presentation feature interactive sound effects. Try them out before using the presentation in the classroom.

Slide 10

Click the large red question mark to play the BEEP-BEEP-BEEP sound of a smoke alarm warning of a fire.

Slide 11

Click the bird graphic to play the chirping sound of a smoke alarm that needs new batteries.
