

# COUNTING IN CARNIVORE COVE

Baby Shark is always up for jaw-some adventures. Count and color the pictures in each row. Then trace the number.

**Parents/Caregivers:** Hold onto your dorsal fins and get ready for *Baby Shark's Big Show!* on Nickelodeon, Fridays airing weekday mornings on Nickelodeon. In each episode, Baby Shark and his friends show a love for family, friends, and fun. You and your little ones can join in the jaw-some fun at home with a counting adventure. Send your child on a scavenger hunt with numbers. For example, have your child find two books, three different color crayons, four items that are round, etc. And check out more fun activities at [babysharksbigshow.com](http://babysharksbigshow.com).
