

T-rex Tales

T-rex seems terrifying, but it was really terrific. T-rex parents took care of each other and their little ones. Read to learn more! Count the pictures along the way.

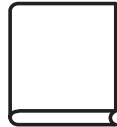

Cut out the square on the dotted lines.

Fold the square on the solid lines.

Color the pictures of T-rex.

Share your book with your family!

Count the footprints. _____

T-rex parents taught their children to hunt on the beach. T-rex had huge feet that helped them walk on the sand.

Count the eggs. _____

T-rex moms laid 15-20 eggs in their nest.

The T-rex was a good swimmer. Their babies learned to swim, too.

Terrific T-rex!

Families: Experience the wonders of our world like never before in the second season of **Prehistoric Planet**, an epic five-night event on Apple TV+ premiering May 22! See your favorite dinosaurs and discover some new ones, like *Tarchia*, as they interact in amazing ways!
