

Get Real: Let Me Introduce Myself

Imagine that you work at an advertising agency, and you're assigned to create an ad highlighting something you know best: **You**. Use the lines and storyboard below to map out the elements of a 30-second ad highlighting what makes you unique, special, and someone others want to get to know. Then, bring your storyboard to life in a video, audio, or slide presentation to share with the class.

Things about me that I want my ad to highlight: _____

Map out your ad in the storyboard below. Include sketches and design and audio notes.
