

Prehistoric Puzzle

Paleontologists put together clues to learn about dinosaurs. It's like solving a puzzle. Make your own prehistoric puzzle of *Tarchia*, Asia's largest ankylosaurid.

Color the *Tarchia*.

Cut along the dotted lines.

Trade your puzzle pieces with a classmate.

Solve the puzzle.

Share your learning with friends and family!

Families: Check out the second season of **Prehistoric Planet**, an epic five-night event on Apple TV+ starting May 22! See your favorite dinosaurs and discover some new ones, like *Tarchia*, as they interact in amazing ways!
