We're working with local elementary schools to deliver a FREE program that helps students in grades 2 and 3 and their families learn how to stay safe from home fires. Fun videos teach kids about smoke alarms, how to prevent fire, and how to plan and practice a home fire drill. Share them with your kids.

Estamos trabajando con escuelas primarias locales para ofrecer un programa GRATIS que ayuda a los estudiantes de 2.º y 3.º Grado y a sus familias a aprender cómo mantenerse seguros ante incendios en el hogar. Videos divertidos enseñan a los niños sobre detectores de humo, cómo prevenir incendios y cómo planificar y practicar un simulacro de incendio en casa. Compártelos con tus hijos.
