

# DUNGEONS & DRAGONS®

## FREE RESOURCES FOR EDUCATORS

### Educators,

Bring adventure into your classroom! Wizards of the Coast, makers of DUNGEONS & DRAGONS® (D&D), is excited to share these free classroom tools with you – each one designed especially for teachers looking to engage students through storytelling, collaboration, and problem solving, while building confidence and social skills.

Whether you're bringing D&D into your classroom, library, or afterschool program, these resources will make it easy to get started with **no prior D&D experience required**.

### THE *D&D BEYOND* EDUCATOR LICENSE

A *D&D Beyond* Educator License provides **access to the official D&D digital platform** where you will find interactive tools like the Character Builder and a collection of D&D rulebooks and ready-made adventures, all **at no cost** to educators at qualifying schools and libraries. To learn more, visit [globalphilanthropy.hasbro.com/en-us/educators](https://globalphilanthropy.hasbro.com/en-us/educators).

### D&D AFTERSCHOOL CLUB KIT

In addition, Wizards is continuing its support of educators through the **D&D Afterschool Club Kit program**. Approved club organizers can receive a kit **at no cost** while supplies last. Each kit includes:

- One copy of *The Player's Handbook*
- A Demo Encounter
- A Beginner-Friendly Adventure offering new players and Dungeon Masters the perfect welcome into the world of D&D
- Ready-to-Play Character Sheets
- Player Resources
- An *awesome* official D&D poster

### READY-TO-USE CLASSROOM ACTIVITIES!

For D&D-inspired lessons, activity sheets, and a digital magazine, check out [ymiclassroom.com/dd](https://ymiclassroom.com/dd). You'll find activities for grades 3-5, 6-9, and 9-12, all ready to use. No D&D experience needed.

Explore and **start building connection, confidence, and creativity** through storytelling with your students!
